

Optional Retirement Plan for Higher Education

New Options and Resources Coming to Your Plan!

Open Enrollment 2016

October is Open Enrollment for participants in the ORPHE. This year participants can select from among three provider options during Open Enrollment, to be effective January 1, 2017: DCP (recordkeeping by ICMA-RC), Fidelity Investments and TIAA. For information on the options available, you can visit the new VRS ORPHE website at www.orphe.varetire.org. You may obtain enrollment information from your human resource office.

How Do I Learn More?

VRS is holding Open Enrollment Meetings at various institutions around the state. At each meeting, VRS will provide a brief overview of the ORPHE plan and both new and updated resources. Additionally, a representative for each provider will speak about specific services and investments available to ORPHE participants beginning January 1, 2017. Don't miss out...see below for a location near you!
