## Dining

Your University Dining team is excited to welcome everyone to campus for the fall 2022 semester! You'll see lots of new and refreshed dining options this year, and we're anxious for you to try them all!

Move-In Week has a lot going on! More than 2,000 students will be moving to their campus digs, and everyone is going to want to know where, when, and how to get meals! We hope these dining tips will help answer those questions!

- **Families:** You can order "Welcome" gift packages that will be ready for your student when they move in! For details on this and other great offers, visit "Gifts & More" on our website!

- **Meal Plans will be active on August 19th at 4 pm.** The Top of the UC will be open and serving breakfast,

lunch, and dinner as of August 8th, but meals and Flex won't work until the meal plans activate. **Freshmen:** The University covers all of your meals until the meal plans are activated. **Early Arrivals:** Check with your coach or group leader to see if they have arranged to have meal service for you. **Returning Students, Faculty and Staff:** You are welcome to dine at the Top of the UC prior to meal plans being activated, but you'll need to pay with EagleOne or credit. *Note: Faculty & Staff meal prices increase to \$6.50 on August 1st.*

- **Food allergies or following a special diet?** Please contact Marketing Manager and Dining Concierge Rose Benedict so she can assist you in finding dining options that fit your dietary plan, and/or connect you with other dining or University resources. You may call 540-654-2169 or e-mail [rbenedic@umw.edu](mailto:rbenedic@umw.edu),

Don't hesitate to contact us if you have any questions about anything related to our campus dining operations. We're always happy to assist you, and we look forward to seeing you soon!
