How do early arrival students get meals?

Prior to the activation of meal plans, new students and other approved “early arrival” students will have their meals covered by the sponsoring University department. All meals served at the Top of the CRUC. New students will get guidance from their Orientation leaders about how and when to dine. Coaches, department and group leaders will give dining guidance to their early arrival students. Always bring your EagleOne card with you, even if meal plans are not yet active, because you may still need to “swipe” to dine.

Can I eat at Top of CRUC before August 26th if I’m not an early arrival?

Yes, the Top of the CRUC is open to everyone during our published serving times. If you are not part of an early arrival group, you’ll simply need to pay for your meal with credit cards or Eagle One. Panera will be open 12-7pm on August 25th. All other retail shoppes will be closed until Monday, August 26th.

Are there special family prices during the move-in period?

Yes! Family members of students may eat any meal at the Top of the CRUC for the special price of \$10 from August 21 through August 26. You must, however, be with your student and let the cashier know you are family members.

When do meal plans become active?

All meal plans become active at 4pm on Friday, August 23. As of that time, all students will need to pay for their meals. You may pay with your meal plan meal swipes, Flex, EagleOne or credit. You may also use your Guest Meals to pay for guests (please see the Dining Guide on our dining web site for details about Guest Meals).

What happens if my meal plan card doesn’t work?

Don’t worry! Our dining cashier will write down your card number and you’ll be allowed to come in and eat. You can contact the Office of Student Accounts (540-654-1250 or UMWBills@UMW.edu) or the Assistant Dean of Students, Chris Porter, (540-654-1659 or CJPorter@UMW.edu) for assistance in getting your card properly activated when the University fully opens on August 26th.

How can I get help with food allergy or dietary restriction questions?

Contact our Dining Concierge, Rose Benedict, 540-654-2169 / RBenedic@UMW.edu, or stop by the Concierge Desk by Panera in the CRUC between 11:30am and 1:30pm weekdays as of August 26th. You can also speak with any one of our chefs or managers when you are in the Restaurants at the Top of the CRUC.
